

CommTECH Camp Insight 2019

by Institut Teknologi Sepuluh Nopember (ITS), Indonesia
(23 January 2019 – 5 February 2019)

Dear Students,

We are pleased to bring your attention the CommTECH program organized by ITS International Office, Indonesia. The registration is now open until **21 December 2018**. It is a short course program designed to facilitate and share better understanding of complex issues related with the intertwining of societal and technological problems, especially in Indonesia. For interested students, detailed information is available at

<http://international.its.ac.id/commtech-insight-2019/>

The brochure, the registration form, and a teaser video are all available by following the above URL. The fee of the program is USD 1600 per participant. However, ITS may offer full or partial scholarships to limited participants. The fees and the scholarship cover everything that have been scheduled for the duration of the program, including hotel accommodation, scheduled meals, tuition fee, workshop materials, airport pick-up and drop-off services, local transportation, trip to Mount Bromo, and river rafting. However, the fee does not include personal expenses, round trip airfare, and travel insurance.

Thank you very much.
