

Dear Students,

College of Science at National Taiwan University (NTU) is offering six (6) places of their one-semester exchange programme for the coming Spring Semester 2018/2019. Interested students should send their applications together with the following documents

- (1) official transcript of grades,
- (2) two letters of recommendation,
- (3) curriculum vitae,
- (4) study plan, and
- (5) a list of course pre-selection

in printed form to Ms Fatin Amirah Nordin at the General Office of ISM **latest by 4:00pm on 9 October 2018 (Tuesday)**. (Do not worry about the other required documents yet in the information sheets.) Shortlisted applicants will be interviewed by the Mobility Committee.

Please note that the exchange students must have completed at least one year full-time study at University of Malaya. Also, as indicated in the information sheet, the language requirements of the exchange programme are Chinese and English. Note also that courses are mainly conducted in Chinese. Hence students should have a comparable fluency in Chinese language in order to understand classes, or should consider taking the General Chinese Courses offered by NTU Language Centre.

For more information, please refer to the attached information sheets. Some information there could be outdated though. Do visit the links contained in the information sheets for most recent info.

Good luck.
