UNIVERSITY
OF MALAYA

BACHELOR OF ECONOMICS

Faculty of Economics
and Administration
University Of Malaya, Malaysia

Introduction to the Faculty

First established in 1959 as the Department of Economics within the Faculty of Arts, the Faculty of Economics and Administration (FEA) was founded in May 1966 to meet the nation's growing demand for a professional workforce. Beginning with just 14 students and 3 academic personnel, headed by Royal Professor Ungku Aziz, FEA have evolved into a flourishing academic community of 885 students and 58 academic staff in 2018, among them professors and lecturers with an international reputation in their respective fields.

Drawing the strength of 4 departments; Economics, Administrative Studies and Politics, Development Studies and Applied Statistics. The FEA currently offers the Bachelor of Economics and 7 programmes at the postgraduate level, Master of Economics, Master of Public Administration, Master of Applied Statistics, Master of Development Studies, Master of Economics by Research, Master of Public Administration by Research and Doctor of Philosophy.

Vision

To realise the Vision of the University to be an education and research centre of excellence for knowledge creation and dissemination through teaching, learning and research in the fields of economics and administration.

Mission

To advance academic excellence in the fields of economics and administration.

Excellent Learning Environment

The Faculty has a strong group of academic staff. Our courses, curriculum and examination questions are continually being assessed by the external assessors from renowned foreign universities. The Faculty is equipped with lecture theatres, seminar rooms and computer laboratories.

Programme

The Bachelor of Economics programme is designed to provide solid grounding in theory and economic knowledge and improve the critical and analytical skills of students. The core and elective courses are shaped to produce graduates with broad based as well as specialized knowledge. Since 2015, the newly introduced specialization system has provided students the option to specialize in one of four (4) areas, namely;

Programme Structure

A total of 126 credits are required to complete the Bachelor of Economics programme as follows;

Courses	Credit
a. University Courses	20
b. Faculty Core Courses	13
1. Broad Base Courses	38
2. Economics Core Courses	16
3. Quantitative Courses	6
4. Industrial Training	6
5. Graduation Exercise	6
c. Elective Courses (Specialization)	27
It is compulsory for students to specialize in one of four areas as below:	
1. Economics	
2. Administrative Studies and Politics	
3. Development Studies	
4. Applied Statistics	
Total	126

A student will graduate with a specialization after he/she has completed the programme requirements and fulfilled a minimum of 9 courses (27 credits) from a particular specialization.

Programme Duration and Academic Year

The academic programme follows the semester system and commences in September (Semester 1) and February (Semester 2). The minimum period of study is 7 semesters and the maximum period of study is 11 semesters.
